MEMORANDUM FOR:

SUBJECT : Revised Draft of Employee
Conduct, Indebtedness of Agency Personnel

25X1

1. I attach copies of the subject regulations which were forwarded to the Regulation Control Staff by the Director of Personnel apparently for coordination and ultimate approval. In view of the new DD/S procedures for coordination of regulations, the ADD/S might like to study the proposed issuances.

2. We would wonder whether there is real need for these issuances. It might be desirable to ask Personnel for information as to the number of indebtedness problems they have and the scope of the delinquent tax problem.
